
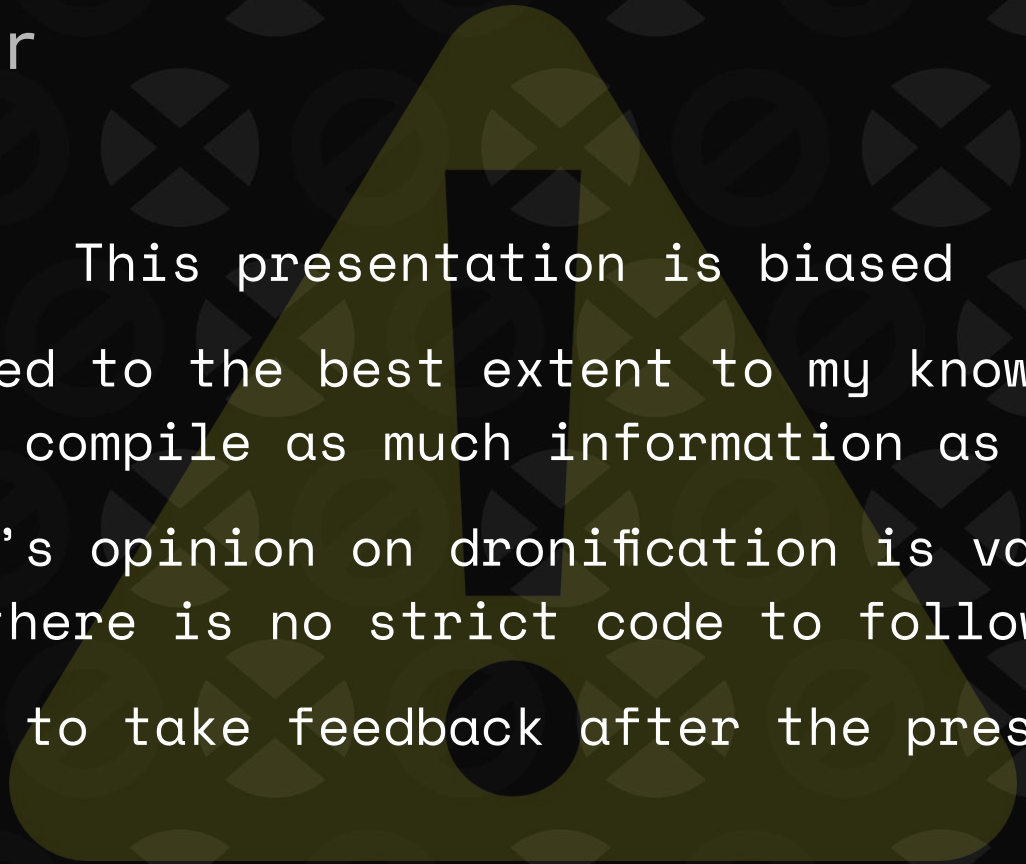
Dronification 101

Disclaimer



This presentation is biased

It is based to the best extent to my knowledge and tries to compile as much information as possible

Everyone’s opinion on dronification is valid, and there is no strict code to follow

I’m happy to take feedback after the presentation!

Disclaimer

Dronification takes the form that **its community wants it to**

Dronification

Dronification is an aesthetic and state of mind inspired by science-fiction that involves the removal or alteration of one’s identity in the goal of becoming a mindless uniform entity.
